

**We are empowered.
We are supportive.
We are diverse.
We are focused.**

WE ARE WiNUP

WiNUP, the Women's International Network of Utility Professionals, was founded in 1923 by seven visionary women in the utility industry. Since its beginning, WiNUP has recognized the vital role that our members provide to the industry.

**Women's International Network
of Utility Professionals**

Our Mission

WiNUP's mission is to provide a link for developing and recognizing professionals involved with utility business trends, issues, products, and services.

Our Membership

WiNUP membership includes employees and entrepreneurs representing all disciplines supporting utilities and allied fields. Members come from such diverse industries as utilities (electric, gas, water, etc.), universities, marketing companies, law firms, and more.

To date, we have more than 600 members throughout the United States and we continue to grow. WiNUP has chapters located throughout the United States to serve our members. Each chapter organizes events that focus on networking, mentorship and professional development for its members.

Our Objectives

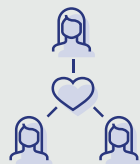

WiNUP is dedicated to providing:

- ✓ Opportunities for professional development of members
- ✓ Networking and mentoring among members
- ✓ Recognition and visibility for members and business partners

Why join WiNUP?

PROFESSIONAL DEVELOPMENT: From webinars, speakers at local chapter meetings, and keynote speakers at our annual conference, WiNUP offers ways to learn and develop in your career. Members also have the opportunity to receive scholarships, grants and awards that place them on an upward career trajectory.

NETWORKING: WiNUP provides an outlet for you to network one-on-one or in a group setting with fellow professionals in the utility industry. Through WiNUP, you can develop relationships that will last a lifetime!

PERSONAL DEVELOPMENT: As a WiNUP member, you'll gain skills to assist you on a personal level. Grow your natural abilities while working with other WiNUP members on meaningful projects.
